

VOLUNTEER PLACEMENT PLANNER 2017: CAMPS CANADA

VOLUNTEER PLACEMENT

After completing our 12-hour Volunteer Prep Course, you are guaranteed one week of volunteer placement at Camps Canada. **You should start planning your preferred volunteer dates now.**

Please have a look at the camp tables (below) organized by location and note that **not all camps are offered in all weeks.** White squares mean that week is available, while a black square means that camp is not available that week. Use the tables to help you choose the location, type of camp and specific week you would like to volunteer. Please consider your top 3 preferences.

When you are ready to make your choices, please go online and complete the Volunteer Placement Form available here: <http://www.campscanada.com/volunteer-placement-form.php>

We will do our best to accommodate your first choice whenever possible. **We'll confirm your placement no later than June 1, 2017.**

You are only guaranteed one week of placement. However, after this probation week, you may be asked to join us for additional weeks based on your performance and the total number of volunteers.
